- 1 Don't pretend
You've ever found the end,
Your answer's never true:
But don't be afraid,
You cannot be betrayed
By that which thrives in you;
- 2 And be yourself,
Don't try to fool yourself,
You cannot hide from bluff;
Say what you feel,
Believe it to be real,
For it is real enough;
- 3 Speak your mind,
And you will truly find
Great joy in all you give;
And I'll be glad,
For I will not be mad-
Madness is relative.
