v1 You never seem to comfort,  
You never seem to care,

And when I call you to me,  
You nod but go elsewhere;

v2 You never give direction,  
You never show the way,  
And when I ask for guidance,  
You smile but turn away;

ch So far, so near,  
You never seem to want to let me know  
The way that I should go;  
So dark, so clear,  
You never seem to want to let me see  
If you'll stay to the end to welcome me;

v3 You never give me friendship,  
Maybe you never will,  
Maybe I ought to forget you,  
Yet somehow I love you still.
