Am

v1 Once, you were an ordinary woman,

258 G7 >>> Am

Who turned into a princess, and caused me so much pain;

Yet now you cannot hurt me, `cos you`re ordinary again.....

br 1 At best he is the rampant furnace of a hero

Who fights with magic dragons and destroys them with his breath, $% \left(\frac{1}{2}\right) =\left(\frac{1}{2}\right) \left(\frac{1}{2}\right)$

G7 >> Am

But when her heartless icicles cool down past zero, The hero meets a most ignoble death;

- br 2 He's felt the searing heat of life just once too often To ever hope to find a chilly heart to give relief, And all around his iron core the edges soften, To melt into a pool of liquid grief;
- br 3 His knack for loving stunning strangers is habitual, A legend in his lifetime, he is held in great renown; The sacrifice of all his heart completes each ritual, And then her cold indifference brings him down.....
- sub br 1 Your weaknesses and failures are a part of you,
 And if they make you no-one special,
 Then rejoice, rejoice, for being no-one special;
- sub br 2 Let your human failings help you start anew,
 As no-one in particular;
 Be glad, for being no-one in particular.....
 - br 4 Before, he'd lost count of the ways she was fantastic, So ultimate a woman just could not be real, And sure enough, the visions run like drops of plastic, Distorting as they now again congeal.....
 - v2 You used to be an ordinary woman,
 You turned into a goddess, who I knelt in fear before;
 But now perhaps I'll love you, since you're ordinary once more.....
