v1 I often sense you there,
Your perfume on the air,
Your fingers through my hair
In play;

v2 Then back again to flight,
A moth repelled from light,
The breath that fades from sight,
Away, away.....

Br 1 A single wisp of smoke, the scent of flowers on the stair,
A vision of a doll's house in the attic;
A gentle laugh, I turn to look, I see you standing there,
So delicate, so faint, yet so emphatic.....

Ch 1 I see you clearly,
Growing ever stronger as you near me;
I see you so clearly,
Death defied and strong, you're standing near me.....

Ch 2 I see you clearly,
So prominent, distinctive, standing near me;
I see you clearly,
So well defined and stark, you're standing near me;
I see you so clearly,
In bold and plain relief, you're standing near me;
Oh, I see you clearly.....
