- v1 A rich and vivid dream,
A passion that inspires us,
Of one who so desires us
In untamed fantasy;
- v2 A wild determined scheme
To harvest that obsession,
The wanton indiscretion,
Of unchained flagrancy;
- v3 A picked unravelled seam,
Where hope turns to resentment,
The thrill to discontentment,
And dark humility;
- v4 The strange erotic theme,
That secret self inside us,
No longer cloaked to hide us,
But bare for all to see.
