v1 Welcome to the twilight world  
 Of avarice and lust,  
 Where plans have died,  
 And schemes have turned to rust:

v2 Welcome to the nether world  
 Of confusion and mistrust,  
 Where hopes have failed,  
 And dreams have all gone bust:

Br1 A wish upon the wind,  
 A dream up in the sky,  
 A raft upon the ocean,  
 No star to steer her by,  
 As dying to live, we simply live to die.

Br2 A flake within a snowstorm,  
 A drop of falling rain,  
 As trying to shine, we always fade again.

v3 Welcome to the whispered world  
 Of secrets undiscussed,  
 Where love has lost,  
 And friendship turns to dust.
