v1 How strange the by and by,
The way our twisted fortunes flow,
Our heads once held so high,
We failed to see the ground below,
Or spot the tripping blunders as we go.

v2 How cruel the how it goes,
When passion, like a half lit ghost,
Still walks our thoughts, and throws
The shadow of its empty boast
To cause this pain to those who love us most.

v3 (Bridge) How weird the who knows where,
The flights of certainty and doubt,
Of passion and despair,
Of parting pains, and turnabout,
That lead us back where we started out.

v4 How strange the how it ends,
The weird disjoins of love and pain,
The fortune that ascends
To ecstasy, then back again,
Back to where we're happy to remain.
