v1 It's hard, so hard,  
 To see you tired of life:  
 So tired of living long,  
 So tired of staying strong;

v2 It makes me sad  
 To see you come to this:  
 So tired of fighting on,  
 Your spirit all but gone;

Br To be the simple friend to you  
 That you have been to me,  
 To be the always selfless one  
 That you have strived to be,  
 To shine and always be the light  
 That fills the darkest hours,  
 All out of reach, beyond my grasping powers

v3 It eats me up  
 To see you struggle now,  
 So tired of standing true,  
 So tired of pulling through,  
 So tired of being you.
