92	D	A	D >> A	E >>> A7

(repeat to fade

v1 Let's drop off the kids,
Then open up a bottle,
There's a celebration here;
Drink to it all,
Basking in the feeling
Of one more year

v2 Let's drop off your Mum,
Then pour the sparkling liquid,
There's a reason for good cheer;
Drinking it in,
Toasting up the glory
Of one more year

ch1 We shouldn't talk of boundless days,
Perpetual means, unending ways,
'Forever' such a spurious phrase
To lead to 'in the end':

ch2 Let's talk instead of moments sparse,
Of ticking clocks, or hours that pass,
And how, with each, we raise a glass
To toast a precious friend

v3 Let's drop off the dog,
Then raise aloft our glasses
To the things we hold most dear;
Drink to ourselves,
In joyful celebration
Of one more year
