v1 As you wander through your glories  
You are wild and fancy-free;  
But when you glance into the mirror,  
The reflection is of me:

Ch1 Do you know me, can you see me?  
Can you tell me why I'm there?  
Is this how it's come to be,  
That I will haunt you everywhere?

v2 You lie sleeping as the ceiling  
Shadows crack before your eyes.  
Though fractured memories are imperfect,  
Still, crumbling plaster never lies:

Ch2 Can you see through this confusion?  
Can you tell me who I am?  
Is this all that's left for me,  
To be your haunting mirror man?

Ch3 Do you want me, could you need me?  
Is this really as it seems?  
Is this how it's going to be,  
That I will haunt you through your dreams?.....
