v1
 Goodbye, winter darkness,
 Good morning, April grey:
 May the trade winds find your back,
 And smile down on you today;
 And may the dolphins dance for you
 To guide you on your way;

Ch1
 Easing you through the storm,
 Singing you through the rain,
 Bringing you safe and warm,
 To safe harbour again

Ch2
 Easing you through the swell,
 Helping you take the strain,
 Guiding you safe and well,
 To safe harbour again
