- v1

There are places,  
There are faces,  
And spaces between the two;  
But more fond  
That space beyond;  
And I'm coming home to you
- v2

There were dangers  
There were strangers,  
And the strangers helped me through;  
So I survived,  
I'm alive,  
And I'm coming home to you
- v3

There are gleanings,  
And leanings,  
And meanings to what we do;  
But that's grand,  
I understand,  
And I'm coming home to you,
- Coda

And I'm coming home to you
