----	-----------------------	------------------------------------

v1 May your days fill you with the warmth you crave,
May you stay both strong and brave,
May the sunbeams, warm and bright,
Cover you with light.

v2 May your nights hold you in a peaceful sleep,
May your dreams be long and deep,
May the moonbeams, soft and white,
Bathe you in their light.

v3 May your life be just what you want it to,
May your wishes all come true,
May your hopes be full and bright,
Your burdens soft and light.
