v1 Come out from your shadows,  
Step into the light,  
Put the shapeless silhouettes to flight;

v2 Rage against the terrors,  
Drive them clean away,  
Keep their vague and formless threats at bay;

ch1 Imagine you are beautiful,  
And you will always be:  
'Cos darling, you are beautiful to me

ch2 Let's pretend you're wonderful,  
And it will come to be:  
'Cos darling, you are wonderful to me

ch3 Just believe you're everything,  
And that is what I'll see;  
'Cos darling you are everything to me

v3 Back out from your corner,  
Take your stage with pride,  
Remember, you are everything inside.
