v1 Thank you for being so constantly there
To hold me together in times of despair,
Thank you for being the rock of my life:
Thank you for being my wife.

v2 Thank you for seeing the pinpricks of light,
That led from the tunnels of darkness and night

Thank you for seeing it through to the end:

Thank you for being my friend.

v3 Thank you for comfort, for words that you said,
For kindness of past, and courage ahead:
Thank you for doing these things that you do:
Thank you for just being you.
