v1 I thought I heard a hint of mischief,
Somewhere there above the cheers,
Whispering to the foolish,
Beguiling easy ears:

Ch1 It can't be right, so must be wrong,
A project based on fear,
The facts made up, the science a lie:
Fake news is here

v2 Truth is simply where you want it,
Facts just things you hope will be,
Wisdom just a vision
That any fool can see:

Ch2 It can't be wrong, so must be right,
A full and perfect plan:
A pint in every half pint glass,
Trust me, you can.

Ch3 It can't be false, so must be true,
For truth is all it seems:
And two plus two can equal
Whatever suits your dreams.
