v1 Gone fishing,  
I'm not here today,  
So wishing  
That you'll go away,  
And leave me here wishing  
That I had gone fishing  
Alone.

v2 Stop talking,  
There's no-one to hear,  
I've gone walking,  
I'm no longer here,  
So let's stop the talking  
Of how I've gone walking  
On my own.

===

Br1 You should have listened to me,  
And I should have listened to you,  
But I was the fool who just knew it all,  
And you were the fool who just knew.

Br2 I should have listened to me,  
And you should have listened to you,  
But you were the fool who stayed through it all,  
And I was the fool you stayed through.

===

v3 Gone fishing,  
I'm just not at home,  
And wishing  
You'd leave me alone,  
To wish I was fishing,  
Or maybe just wishing  
On my own.
