v1 Let's waltz this time away,
Gliding across the floor,
A tripping touch
That says so much
And whispers of so much more.

v2 Let's waltz this hour away,
Holding each other near,
A clinch that feeds
The where it leads
And captures the outcome clear.

Br Let's waltz the night away,
With rhythm that belies
A step so light,
And shouts "all night"
From brilliant excited eyes.

v3 Let's waltz our lives away,
Gliding across the floor,
A night ascends
To where it ends,
Waltzing for ever more.
