v1 The time tonight is brave and bold,
Where arms that reach meet arms that firmly hold;

Ch1 Breath that catches breath,
And eyes that stay with eyes,
'Til time tonight is done, and time to rise.

v2 The time tonight is full and kind,
Where passion seeks the passion it will find;

Ch2 Hands that dance with hands,
Caress with soft caress,
'Til time tonight is spent, and time to dress.

v3 The time tonight is long and sweet,
Where bodies press, and bodies close to meet;

Ch3 Arms entwined with arms,
Until the morning sun
Calls time tonight, and time tonight is done.
