### CODA

43	Dm >>> Dm6			

A ticking clock that holds the ear,  
And marks the ticking time spent here,  
Where hope still clings to hope across the gloom;  
And who can guess how many hours,  
Of faith that soars, desire that towers,  
Until all hours have slipped on by,  
And hope itself has all run dry,  
A ticking clock within a lifeless room.
