Bm >> E7

v1 Today was all it was because of yesterday, Tomorrow will be better for today; Think less of what you once went through, And more of where you're going to, Day by day.

102 Bm >> E7

- v2 Tuesday only sparkled because Monday did, And Wednesday's just the next step on the way. Think less of where you are right now And more of where you'll get somehow, Day by day
- v3 The way ahead is fraught with tragic failures still, Hopes and dreams that wait to go astray, Think less of soaring through the air, And more of simply getting there,

Day by day.
