CODA

90	Gm7	Gm7(b5)	F6

v1 I tried to give you all that I could give,
   I tried to smile, or make you laugh, and help you carry on,
   And all I ever wished for was to know just where she'd gone,
   This lady who was once my will to live.

v2 I tried to bring you all that I could bring,
   The strength of touch, to reach and find a cold bewildered hand,
   And all I ever wanted was to somehow understand
   Just where she'd gone, the girl who once was everything.
