v1 I always had an inkling we would get there,  
The hint of resolution where the obstacles once stood:

Is it me, or can I feel  
A subtle change from deep inside?  
Is it me, or is this real,  
The turning of the tide?

v2 I always had suspicions this would happen,  
A genuine contentment in the buzz of making good:

Is it you, or has, somehow,  
The well of anger cracked and dried?  
Is it you, or is this now  
The turning of the tide?

v3 I always had a feeling we could do this,  
The ways we couldn't hack it giving

Is it us, we've bridged the past,  
And made it to the other side?  
Is it us, and can it last,  
The turning of the tide?
