v1 Let's take some time, my love,  
 To sit and talk together,  
 We'll reassess these failings  
 And try to put them right;  
 Let's put away the daggers  
 We wield in words of anger,  
 And trade those fake frustrations  
 For what we really feel.

v2 Let's take the time, my love,  
 To sit and talk with calmness,  
 We'll dampen down these tensions  
 That smoulder and ignite;  
 Let's smooth the roughened edges  
 That wound in words of harshness,  
 And trade them for the kindness  
 That softer tones reveal.

v3 Let's take a while, my love,  
 To sit and talk with candour,  
 We'll reappraise these nightmares  
 And send them off to flight;  
 Let's cast aside the phantoms  
 That lurk in words of doubting  
 And trade their hollow meanings  
 For what we know is real.
