CODA

v1 We'll take the quickest breather
And take stock of the day:
Some pangs at first, but mostly it's okay.

ch1 There's no place here for sad remorse,
Or heads that hang in shame:
Nobody we murdered had a name.

v2 We'll take a swift appraisal,
The briefest oversight:
Some minor qualms, but otherwise alright.

ch2 There's no room here for stern reproach,
No falling out of grace:
Nobody we murdered had a face.

Br1 Some other light, some other life,
Some other mother's son,
A rolling dice
When all is done.

Br2 Pick yourself a widow's tears,
A grieving child's distress,
A turning card,
No more, no less.

v3 We'll take the simplest timeout,
To bring things up to date,
A twinge or two, but on the whole, just great.

ch3 There's no call for contrition,
No nagging of regret,
Nobody we murdered haunts us yet.
