CODA

98	G	E >(>) Emadd2 *	D	A7
102	G	E >(>) Emadd2 *	D	

v1 Close your eyes and make a wish
Where heart can have free rein:
A golden sun, a stretch of field,
A winding summer lane;
A warming hand that reaches out,
And touches just once more,
Then softly squeezes, like it did before:

ch1 If I had a thousand wishes,
Every one in vain,
Still I'd wish to hold you here again.

v2 Close your eyes and try to dream
Of what you most desire:
A snowy night, a Christmas tree,
A roaring winter's fire;
A catch of breath, a heady glow,
A presence drawing near,
A loved one now returned from far from here:

ch2 If I had a thousand dreams
And none of them came true,
Still I'd dream of one more day with you.
