v1 Once so proud and mighty, now it's gone,
The place he'd always claimed was his
In ruins, the final proof of victory
Over those who'd always dared to doubt his right;

Ch1 And from a fortress far away,
The king of rubble curls a smile
At what he's done today.

v2 Now it's just the smoke that lingers on
From place that was, to place that is
No more; the final proof of things to be

To those who'd always dared to doubt his might;

Ch2 And from a palace far away,
The king of rubble basks awhile
In what he's won today.
