v1 Like dreams that melt to nothing in the sky,
 Or longings that the heart just can't forget,
 The night lies tender yet:
 Tender, like the many things I clean forgot to say;

v2 Like hopes that fall from reach, then fade and die,
 Or feelings that the heart just can't let go,
 The aching need will grow,
 Tender, like the feelings that I struggled to convey;

Br Tender, like the night that leads us on,
 Tender, like the passions that we build our hopes upon,
 Tender, like the promises that blink, and then are gone;

v3 Like secrets only fools would just deny,
 Or yearnings that the heart just can't fulfil,
 The night lies tender still:
 Tender, like the moments that too often slipped away.
